MR FRANK

This is Eric Long and I'm writing to you in reference to this Bankruptcy Case under Rule 501 Powers of the courts. I'm stating that you have the power to fix this. I believe MR Dershow is saying this because these officials connecting me to A Voluntary Employment Welfare program / Life Insurance called (VEBA) / (ERISA) which I never consented to or Volunteered to. This was done without my knowledge or consent. I've done a little research and I understand my position in this program that these officials got me attached to threw Fidelity and T-Rowe Price. and because of my Birthright. I feel I have a right of recoupement. why would I voluntarily sign up for A Death Benefit? However I'm just

ISSUE. But by the powers of the Court
IM ASKING you to Fix this issue. I
just want to be separated From Cusip#
(315918318) I don't care about the
Accounts, also I feel I have A right
of recoupment From (Cusip#315805333)
which is my Birthright. Certainly
I didn't give them permission
To place me in this VEBA / ERISA/
program. I would be willing to come
to AN Agreement plan with all parties
involved but I do feel like I have
A right to something. This is still
Fraud on their part. But Im willing
to let them continue to operate
these Accounts anyway they want,
But I feel I should have A right of
A small percentage because of this
act that these officials are committing
and threw the powers of the Court IM
ASKING that you fix this. THANK YOU
for your time on this matter
